

6th International Conference on Nanostructures

ICNS6

7-10 March
2016, Kish Island- Iran

Low-dimensional Nanostructures
Carbon-based Nanostructures
Bulk Nanostructured Materials
Nanobiomaterials and Nanomedicine
Nanostructures for Electronics, Photonics and Plasmonics
Nanosensors and Nanobiosensors
Nanomagnetism and Spintronics
Nanomaterials for Water and Environment
Nanomaterials for Energy Conversion and Storage
Advanced Fabrication and Characterization Methods
Standardization, Commercialization, Risk Assessment and Ethics

Important Dates
30 Sep 2015
Deadline for abstract submission
21 Oct 2015
Deadline for late poster submission
07 Jan 2016
Full Registration
20 Jan 2016
Late Registration

Organized by: Institute for Nanoscience & Nanotechnology, Sharif University of Technology

Supported by: Iran Nanotechnology Initiative Council (INIC), Iranian Vice Presidency of Science and Technology, International Campus Kish Island, Sharif University of Technology, Iranian Nanotechnology Society, The Physics Society of Iran, Iranian National Commission for UNESCO, Iranian Society of Nanotechnology, Center of Excellence in Nanotechnology

Sponsored by: Institute for Nanoscience & Nanotechnology (INST), Sharif University of Technology, Tehran, Iran
Website: nano.sharif.ir/icns6 Email: icns6@nano.sharif.ir
Presidency of Islamic Republic of Iran, National Ethics Foundation, Kish Free Zone Organization, Islamic Consultative Assembly
